- I. HOMEOWNERS ASSOCIATION: Every Owner of a Lot will be a member of The Village at Plantation Springs Homeowners Association (hereafter the "Association"). The fees, dues and assessments and other obligations of members of the Association are set forth fully in the Articles of Incorporation and the Bylaws of said Association.
- II. LAND USE AND BUILDING TYPE: No lot or part thereof shall be occupied, used or maintained except as a one family residential dwelling primarily devoted to and used as a residence. No lot may be altered except to increase the Lot in size.
- III. EXTERIOR MAINTENANCE:
  - A. The Association shall provide maintenance to Common Areas, as follows:
    1. All signs

    6. This maintenance includes upkeep of all right-of-ways and easements adjacent to common areas.
  - B. The Association shall provide maintenance for Individual Lots, as follows:

1. General lawn care which shall be limited to: chemical treatment, mowing and edging of lawn and trimming of shrubbery.
  2. This specifically excludes replacement of lawn, flowers, shrubbery, trees, etc.
  3. This specifically excludes any maintenance or care to any lot owners' fencing, walls, or irrigation system.
- C. In the event the need for maintenance, replacement or improvement is caused by or arises out of any willful or negligent act of an Owner, members of his/her family, or his/her guests or invitees, the cost of such shall be added to and become a part of the assessment to which such Lot is subject.
- D. In the event a Lot Owner fails to maintain, restore and repair the roof, gutters, downspouts, exterior building surfaces, and other exterior improvements in a manner satisfactory to the Board of Directors, the Association, after approval by a three-fourths vote of the Board of Directors, shall have the right, but not the obligation, through its contractors, agents and employees, to enter upon said parcel and to repair, maintain and restore such roof, gutters, downspouts, exterior building surfaces, or make other exterior improvements. The cost of such exterior maintenance shall be added to and become part of the assessment to which the Lot is subject. In the alternative, the Association may file a suit for specific performance of these items and may file suit for reimbursement of all costs, including reasonable attorney's fees.
- IV. CONSTRUCTION, DWELLING QUALITY, AND SIZE: Each residence must have a minimum living area of 1,225 square feet. Porches, attached garages, breezeways and basements shall not be included in computing the above minimum living area. The visible surface of the foundation of any structure must be covered with the same brick as the residence. The exterior of any structure must be at least 80% brick. - C. For all Lots: Where the phrase "lot line" is used herein the same shall be construed to mean the property ownership line if someone owns and builds upon lots which have been changed to increase the lot size.
- VI. EASEMENTS: Easements to each individual lot for installation and maintenance of utilities and drainage facilities are reserved on the lots as shown on the recorded plat. The granting of this easement or right of access shall not prevent the use of the area by the owner for any permitted purpose except for buildings.
- VII. NUISANCE: No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance. Commercial trucks over one ton in size, commercial trailers or livestock hauling trailers are not to be parked on streets or driveways. Motor homes, campers, boat trailers, or recreational vehicle trailers are not to be parked on streets or driveways on a regular basis. Any outside dogs or cats must be kept in the backyard or on a leash. No chronic barking dogs will be allowed in this subdivision. No dangerous animals will be housed in the subdivision. The main purpose and intention of this restriction is to maintain the quiet and peace of the subdivision and for the safety of residents in the subdivision.
- X. GARDEN: A private herb/vegetable garden may be maintained at the rear of the home not to exceed 48 square feet in size and must be placed in an inconspicuous location.
- XI. FENCES: No fences or walls shall be placed on any lot except upon written approval of the Architectural Control Committee, and shall be of similar design and materials of those already existing in the neighborhood.

- C. Each residence must be landscaped within two months of occupancy. No bird baths or other statuary will be permitted on front lawns. No firewood or other

such items shall be dumped in any yard, but must be stacked neatly out of sight from the street. No basketball goals may be located at the front of the house. Front lawn areas will be kept clean and neat and free of miscellaneous toys, vehicles and/or equipment at all times.

- D. At no time shall any vehicle, whether operable or inoperable, be parked on lawns.
- XIV. SIGNS: No sign of any kind shall be displayed in public view on any lot, except one sign of not more than 540 square inches advertising the property for sale or rent. The subdivision developers may have no more than two large signs at each of the entrances to the subdivision.
- XV. DRIVEWAYS: Each residence must have a concrete driveway which shall be a minimum of ten (10) feet in width.
- XVI. ROADS: All roads shown on the plat are hereby dedicated to the City of Florence, Alabama, and shall be for public use as roads.

If the Association does not exercise the option, then any other Lot Owner in the subdivision may do so on a first-come basis.
- XVIII. COMMON USE AREA: Each Lot Owner will be a member of The Village at Plantation Springs Homeowners Association, and said Association will own the property which is denoted on the plat as a Common Use area. Each Lot Owner has a right to use these facilities in exchange for a yearly fee which will be set and assessed by the Homeowners Association.
- XIX. ARCHITECTURAL CONTROL COMMITTEE: Subsequent to the October, 2007 revision of the Bylaws of this Association, the Architectural Control Committee shall be a five (5) member committee appointed by the Board of Directors. Membership, function and authority of this committee shall be that as set forth in the Bylaws and these Covenants. In the event of death or resignation of any member of the

committee, his/her replacement will be elected by the process outlined in the Bylaws of this Association. No member of the Architectural Control Committee will be entitled to any compensation for services performed pursuant to this Declaration.

XX. APPROVAL OF ARCHITECTURAL CONTROL COMMITTEE: No home, outbuilding, fence, wall, or other structure or exterior surface or roof of any building or structure shall be commenced, repaired, replaced, erected, or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and color of the same shall have been submitted to and approved in writing by the Architectural Control Committee. Without limiting the foregoing, such plans and specifications must include a detailed statement of the colors of any paints or materials to be used for exterior surfaces and roofs. In the event a majority of the Committee fails to approve or disapprove such plans within thirty days of submission to the Committee, as evidenced by its written acknowledgement of receipt thereof, approval will not be required and this Article will be deemed to have been fully complied with. Such plans may be disapproved because of the following:

- E. Objections to the location of any proposed structure upon any Lot or with reference to other Lots;
- F. Objection to the color scheme, finish, proportions, style, architecture, height, bulk or appropriateness of any proposed structure.

Notwithstanding any other provision of these Covenants, or the recorded plat, the Architectural Control Committee may waive any provision of these Covenants.

**XXI. POWERS OF THE ARCHITECTURAL CONTROL COMMITTEE:**

- A. At any time, the then-record owners of three-fourths of the Lots in said subdivision shall have the power, through a duly acknowledged instrument recorded in the Judge of Probate of Lauderdale County, Alabama, to change the membership of the Architectural Control Committee.
- B. Whenever, in the unanimous opinion of the members of the Architectural Control Committee and the Association Board of Directors, no substantial damage will be done to anyone owning any parcel or land in the subdivision, it shall have full authority, anything in these protective covenants and restrictions to the contrary notwithstanding, to waive or allow any violation herein, whether such violation be present or prospective. Such waiver, to be effective, must be reduced in writing over the signature of each member of the Committee and the Board of Directors, and acknowledged before a Notary Public and recorded in the Office of the Judge of Probate of Lauderdale County, Alabama.
- C. In the event the Committee, or its designated representative, fails to approve or disapprove within thirty days after plans and specifications have been submitted to it, or, in any event, if no suit to enjoin the proposed construction has been commenced prior to the substantial completion of construction, approval will not be required, and the related protective covenants and restrictions shall be deemed to have been fully complied with.

**XXII. TERMS OF RESTRICTIONS AND AMENDMENTS:** The protective covenants and restrictions of this Declaration shall run with and bind the land and shall be binding on all persons claiming under them for a period of twenty (20) years from the date this amended Declaration is recorded, after which time they shall automatically be extended for successive periods of ten (10) years. This Declaration may be amended by an instrument signed by not less than seventy-five percent (75%) of the Lot Owners. Any amendment must be recorded in the Office of the Judge of Probate of Lauderdale County, Alabama.

**XXIII. VIOLATIONS:** If any person or entity shall violate any of the protective covenants or restrictions herein, it shall be lawful for any person or persons owning property in this subdivision to prosecute any proceedings at law or in equity against the persons or person violating any such protective covenants or restrictions to prevent any such violation or attempted violation or recover damages for same. The Lot Owner found

by the Court to violate these covenants or restrictions will be obligated to pay the attorney fees of the parties filing the legal action.

XXIV. SEVERABILITY: Invalidation of any one of these protective covenants or restrictions by Judgment or Court shall in no way effect any of the other provisions which shall remain in full force and effect.

XXV. MISCELLANEOUS: If there is a conflict between these Protective Covenants and the subdivision plat, the plat will override these Covenants.
