II

1. Isbell Development Company shall have full and final approval of architectural plans, and site plans as follows:

(a) All architectural plans must be submitted to Isbell Development Company for written approval. This includes original construction and all subsequent alterations or additions.

(b) A site plan, prepared by a licensed surveyor, showing location of the proposed improvements including dwelling, all driveways, patios, decks and any and all other structures and improvements shall be furnished to Isbell Development Company in advance of any work.

All driveways and entranceways onto the lots which require the removal of curb and/or guttering shall be constructed or the curbs and guttering thereon shall be removed by the use of a concrete cutting saw.

No work of any nature may be commenced on the site until written approval has been given by Isbell Development Company.

All plans shall be submitted to Isbell Development Company no later than 10 days before anticipated start of site work.

All electrical, telephone, television cable and utility services of all kinds from the pole to the structure shall be required to be placed underground.

1. No lot shall be used except for residential, single family purposes. No structures shall be erected, altered, placed or permitted to remain on any lot other than one detached, single-family dwelling and private garage and accessory buildings and structures such as swimming pools, enclosed storage rooms, screened enclosures and patios.

2. No carports shall be permitted. All garages shall be enclosed and shall be at least adequate to house two standard-sized American cars. All garage doors shall be operable. All vehicles on the premises must be kept totally enclosed and not visible from the street. No work may be done on any motor vehicle on the premises except in a totally-enclosed garage.

3. No temporary structures may be placed on the premises except necessary shelters used by builders during construction, and these must be removed upon completion of construction.

4. No trailers, boats, boat trailers, or motor homes may be kept upon the premises except in totally-enclosed garages.

5. No residence may be constructed unless it contains at least 1,800 square feet of finished, heated and cooled, enclosed living area. No unfinished storage, utility room, basement, attic, breeze way, porch, or garage shall be counted as part of the living area for the purpose of determining the minimum building size.

6. (a) No building shall be built closer than 30 feet to the front lot line, 35 feet to the rear lot line, and 12 feet to any side lot line (except corner lots where a minimum of 25 feet from the side street line must be maintained as to any structure); provided any detached permitted outbuildings shall conform to city zoning setback regulations in force at the time of erection thereof.

(b) Whenever the corner of two contiguous lots, or portions thereof, are situated on both lots, the side lot line restriction in this section does not apply to the side lot line which forms a common boundary between such lots.

7. Only finished materials such as brick or stucco shall be used for exterior surfaces of any structures.

8. All fences shall be a type and quality approved by Isbell Development Company, in advance. No chain link fences shall be allowed, unless concealed by a privacy fence. Each fence shall have a gate. If the permitted fence has only one finished side it must be the side exposed to the public. No fence may be erected nearer the front lot line than the rear line of the dwelling unless approved by Isbell Development in advance.

9. No signs may be displayed to public view except one identification sign not more than two square feet in size and one temporary real estate sign not more than five square feet in area.

10. The recorded plat designated utility and drainage easements. Owner shall maintain this area, but may place no obstruction which interferes with the use and maintenance of such easement.

11. No exterior antennas may be installed or maintained. No satellite receiver may be installed or maintained unless hidden from public view or enclosed.

12. No noxious or offensive activity may be maintained on the property. All domestic animals allowed shall be kept within an enclosed area or on a leash.

13. No commercial activity shall be maintained on the property.

14. Only caged birds, domestic dogs and cats may be kept on the premises. No other animals may be kept, and no animals shall be allowed off the premises of Owner's lot except on a leash.

15. All owners prior to construction of any residence thereon shall maintain the lot so as not to create a nuisance.

16. Each lot shall be connected to public water and a sanitary septic disposal system before occupancy of any improvements.

17. These covenants are intended to be enforceable by Isbell Development Company, the Homeowners Association to be formed, or by any individual lot owner who acquires an interest in the land and be binding for 20 years from the date of recording, and shall automatically extend for successive 10 year periods unless amended. Any provision may be amended by the Homeowners Association. No

amendment is effective until duly recorded. At the sole discretion of the Homeowners, landowners or purchaser of lot hereunder, an association may be set up to maintain the entrance and after Isbell Development Company completes the sale of all lots in the initial phase of said subdivision.
